Special issue on Integrated Optics

Submission Deadline: August 1, 2022

We encourage authors to submit manuscripts stemming from their accepted presentations from 23rd European Conference on Integrated Optics (ECIO) 2022.

The deadline for submission of the full paper manuscripts is 1st August 2022. To avoid unnecessary delays in publication, the papers will be made available online shortly after acceptance, with most papers expected to be published in February/March 2023, while papers accepted earlier would be included as part of the virtual special issue. The main Guest Editors are the ECIO Conference Chairs: Prof. Andrea Melloni (Politecnico di Milano, Italy) and Prof. Francesco Morichetti (Politecnico di Milano, Italy). Prof. Kevin Williams (Eindhoven University of Technology, The Netherlands) and Prof. Kiichi Hamamoto (Kyushu University, Japan) will also serve as a Guest Editors.

Submissions should be made online at: <http://mc.manuscriptcentral.com/jqe-ieee>. Be sure to tag the paper type as European Conference on Integrated Optics, not an Original Paper.

The following supporting documents are required during manuscript submission:

1).doc manuscript (Contributed paper should be double columned, **single space and about 8 pages in length**). Biographies of ALL authors are mandatory, photos are optional. You may find the Tools for Authors link useful: <https://www.photonicsociety.org/publications/journal-of-quantum-electronics/information-for-authors>
